J. Robert Arnold  
City Attorney

Please amend the 1970 Salary Ordinance (S-264-69) by adding the position of Computer Programmer at a salary of \$9,000.00. This position is required as a part of the computer program for Traffic Control as approved by City Council in 1969.

Yours very truly,

I. H. McKathnie  
City Controller

IHM/pc

# TRAFFIC ENGINEERING DEPARTMENT.

Report No. \_\_\_\_\_ Sheet 1 of 1 Date April 16, 1970  
To: Ivan McKathnie, City Controller  
Subject: Computer Programmer

Please amend the Salary Ordinance of the Traffic Engineering Department by adding the position of Computer Programmer at a salary of \$9,000.00. This position is required as a part of the computer program for traffic control as approved by City Council in 1969. It is necessary to fill this position as soon as possible as additional training will be required in the operation of the 1800 above and beyond the normal programming experience. This phase should be completed prior to delivery of the computer of January 1971. It is desirable that this person have a working knowledge of the system which can only be gained by involvement with the installation of the field equipment and computer room equipment.

The requested salary is in line with that paid by City Utilities for a programmer with little or no experience.

Respectfully,

  
Thomas A. Manny,  
Director, Traffic Engineering

TAM/1a
